

KULIA ACADEMY

Job Description TEACHER

About Kūlia Academy

Kūlia Academy is a new school set to open its doors to 100 students August 2024 and expected to grow each year until 2031 when it will serve 700 students. Kūlia Academy focuses on artificial intelligence and data science. It is the first in the U.S. to offer a six-year program in these subjects. Students will spend 80% of their time in science classes doing experiments and investigations. The school believes that these skills are important for future jobs, and they want to help students prepare for them.
